What's available at the clinic?

There are many family planning centers in the Philadelphia five-county area that have confidential services for women, men, and teens for free or at low cost. Services include:

- ★ Emergency Contraceptive Pills (ECP)
- ★ Birth control methods and counseling
- ★ Pregnancy testing
- ★ Testing and treatment for Sexually Transmitted Infections (STIs)
- ★ HIV testing
- ★ and health coverage for family planning services through SelectPlan for Women (eligible women 18-44 years old can apply)

For answers to your questions about the above services, call CHOICE 215.985.3300
